Despicable Me - Summary Despicable Me is an animated comedy film directed by Chris Renaud and Pierre Coffin. The story follows Supervillain Gru, who steals the moon but soon faces his greatest challenge: three orphan girls who want to make him their dad. The voice cast includes Steve Carell as Gru, Jason Segel as Vector, Miranda Cosgrove as Margo, Elsie Fisher as Agnes, Dana Gaier as Edith, and Russell Brand as Dr. Nefario. The film also features a star-studded cast, including Julie Andrews, Will Arnett, Kristen Wiig, Pierre Coffin, Chris Renaud, Ken Jeong, and many more. Despicable Me was released in 2010 by Illumination Films and Universal Pictures, and it has become a beloved kids' movie. The film follows Gru's journey as he navigates his new life with the three orphan girls and confronts his own feelings of loneliness and family. About an hour and 35 minutes long, "Despicable Me" received a user score of 72 out of 100 on TMDb, based on reviews from over 15,000 users. The movie follows the story of Gru, a villainous character who tries to steal the moon. However, his plans are foiled when he takes in three orphan girls and they start to see him as their potential father.
